Red Cross Worker Declares Religion Is Greatest Need

REVOLT SURE TO COME

Ethel Fonda Returns to Tulsa With First Hand Information About Orient

Prediction that Japan will some day throw off the imperialistic form of government and assume the republican form was made by Miss Ethel Fonda, recently in Red Cross work in Japan and Siberia, during a talk in the local association yesterday afternoon.

A real revolution will come sooner or later in Japan and I can only hope that it will be a silent, bloodless change, she said. "Many of the young men of Japan, especially the university students, are seeking in democratic ideas. Christianity has been a democratizing influence in Japan."

Japan has progressed greatly within the past 20 years, Miss Fonda declared. "A number of their larger cities look like American cities. The Japanese are capable and business-like. The status of women is improving. Occasionally the much-bemoaned press dares to take the name of the emperor in vain. Their riots against rice profiteers remind one of American indignation."

Money to send a foreign secretary to the foreign field will be raised by the Tulsa association this week, Miss Fonda will speak to the committee in charge of raising the funds at noon today and at tea at the home of Mrs. E. A. Ross at 3:30 o'clock this afternoon.

At the Muskogee conference, the miners' representatives will be President Wilkinson, James Doyle of Hartford, Ark.; James Estes of Henrietta, Robert Strang of Lehigh, C. E. Hall and J. C. Jones of Hartshorne and John L. Britton of McAlester, district vice president.

IS SOLD INTO MATRIMONY

Judge Cole Annuls Marriage of Indian Girl by Agent's Request

PAWNEE, Okla., May 2.—Alleging that her father, Tom Rice, had sold her to Julius Caesar, 51 years old and a member of the Pawnee tribe, for four horses and four blankets, Judge Cole yesterday annulled the marriage of Mabel Rice, 17-year-old Indian girl, through J. C. Hart, Pawnee Indian agent, asked that the court set aside a pretended marriage between herself and Caesar in Oklahoma City on April 2.

The girl testified that she did not desire to marry but was taken to Oklahoma City by an uncle and that she was married under the Indian custom. She promptly refused to live with her husband and appealed to the agent and a judge was started to annul the marriage. A decree was entered by Judge Redmond S. Cole annulling the marriage on the ground that the girl was under 18 years of age and incapable of giving her consent. Nothing was said in the judgment about restoring the horses or blankets.

FAMILIES ON RENT STRIKE

Chicago Tenants Refuse to Vacate Premises on Moving Day

CHICAGO, May 1.—Thousands of families in Chicago went on a "rent strike" yesterday and refused to vacate apartments in accordance with May day moving orders. H. E. Standish, president of the Chicago Tenants' Protective league, estimated.

Mr. Standish predicted that 10,000 tenants would defy efforts of landlords to evict them. "The tenants who have been asked to pay exorbitant rents and who are unable to pay them or to secure other quarters are fighting with their backs to the wall," he said.

NEW YORK, May 2.—The "flying squadron" of suffragists recruited from various states to invade Connecticut tomorrow for a four-day campaign in an effort to win it as the last state necessary for ratification, received final instructions here tonight at a dinner given by Mrs. Carrie Chapman Catt, president of the National Woman Suffrage association. The feminine spellbinders were coached carefully behind closed doors.

MANY HEAR FREE MUSICAL RECITAL

Organ Plays At First Christian Church Are Popular

From the size of the audience which attended the weekly public organ recital at the First Christian church at 1:30 o'clock yesterday afternoon, the recital evidently proves a most satisfactory answer to the question, "How shall I pass Sunday?" Each number on the program was heartily applauded.

Perhaps the most pleasing organ numbers played by Ernest Frank Haman were "Menuet in G," by Frederic Chopin, "Gavotte" from "Mignon" by Ambrose Thomas and "L'Arlequin" by Joseph Mr. Haman's treatment imparted a delightful freshness to the well known "Russian Romance" by Fritzi. The program concluded triumphantly with the "Triumphal March" from Verdi's "Aida." Both soprano solos by Mrs. F. M. Aldridge were enjoyed enthusiastically.

A goodly proportion of those in attendance at the recital were men. At the close one local business man said, "I consider these weekly organ recitals another proof of Tulsa's progressiveness and indicative of our kinship with the largest cities in the land."

OPEN COMMUNITY HOUSE SOON

West Tulsa Social Center Needs Inside Furnishings for New Home.

If furnishings are forthcoming the community service house at West Tulsa will be open to the public this week. Just now the community service house is little more than "four bare walls" and an equally bare floor, but imagination readily pictures the homelike atmosphere that can be brought to the house with suitable furnishings.

If each person would give one thing, we would be quite happy," said Miss Betty Hettou, social worker for the board in charge of the community house. "Just anything and everything will be acceptable, from a plant, a rug, a picture, a chair, a pillow, to books or kitchenware. We will call for such articles immediately if the donor will call Osage 324 or the Humane office." The community house is located at the end of the pavement on Main street in West Tulsa.

What Would a Robber Find?

If a robber should enter your house what would he find? Many people fail to realize that Liberty bonds, jewelry and other valuables are not safe in a house or an office in spite of the fact that nearly every newspaper contains the account of a robbery, sometimes a murder, to secure hidden valuables.

Why take such a risk when you can rent a safe deposit box in our vault for a penny or two a day and have absolute protection from thieves and fire, yet have access as often as you like.

A few dollars now may save you from heavy loss later.
